

# ATV PROGRAM IS NOT JUST FOR SUMMER CAMP

Plan a weekend when instructors are available:

November 7 - 14 - 21, 2020

For ages 14 to adults.

There are a couple of programs that we can do for you:

- ◆ **Rider Safety Course**— a 4 1/2 hour course in which we teach you to ride the ATV properly. At the end, you are certified to ride the ATV's on the trails at camp with the instructors on any of our open ride weekends.
- ◆ **Tread Lightly program**— If you had earned the ATV Rider Safety Course, this program is for you. We teach you how to “Tread Lightly” on the trails. This program can be a day or a full weekend program.
- ◆ **Conservation program**— If you had earned the ATV Rider Safety Course. Take this opportunity to learn and work on the trails. This program, we will work on maintaining the trails and develop more trails that we can use in the future for hikers and runners.
