

# RECRUITMENT DAY

Learn about joining Venturing and have fun with high adventure activities while developing leadership and outdoor skills! Come and meet the EVOA officers and advisors, for a fun packed day in camp. We will participate in Woronoco Heights Outdoor Adventures. This will include seasonal activities all around camp including:

- **Boating** - Canoes, kayaks and row boats will all be available for use on this day.
- **Disc Golf** - Our new disc golf course is just waiting for you to give it a try. We will provide the discs, you bring the skill!
- **Rockets** - Water bottle rockets are a fun opportunity to test your design skills. Directions are attached below (or you can find out how to build one online). We will have limited materials if you need to make repairs or forget to bring one with you.
- **Climbing** - Looking for a challenge? We have our bouldering wall for everyone to try out their climbing skills. If you are 10 or older, then you can challenge the 68' tower. There are three sides to climb and one side to rappel down.
- **Radio** - Learn about Ham radio and contact other people, possibly from around the world!
- **Archery** - Can you hit the bullseye? Join us at the archery range and find out!
- **BB's** - Air rifles present a great introduction to developing good marksmanship.
- **Ecology** - Come explore the beauty of the world around us!
- **Blacksmithing** - Looking for a souvenir of your time at the heights? Then the blacksmith shop is the place for you!

Cost: \$5 \* Snacks available for purchase or bring your own.

Date: June 9<sup>th</sup>, 2018

Location: Horace A. Moses Scout Reservation

Registration will occur in Nunes Building, when you first arrive to camp.
