

2019 Council Pinewood Derby

Western Massachusetts Council

The "2019 Council Pinewood Derby" championship competition for the Western Massachusetts Council District Pinewood Derby Champions is right around the corner. Eligible participants include each District's top three finishers (or their designated replacements) in each of the five categories. This year we are running the derby in conjunction with the Woronoco Heights Outdoor Adventures program.

Participants are invited to pay an additional \$5 and stay for the remainder of the day to participate in the many activities that will be offered that day at WHOA!. In addition, we will be hosting an open Pinewood Derby for anyone to enter after the conclusion of the official derby. Entrants can bring their own cars or use one of the spare cars we will have on hand. Prizes for the open derby will include a free ice cream or drink at the camp Trading Post. Details for WHOA are available at <https://www.wmascouting.org/WHOAApr27>.

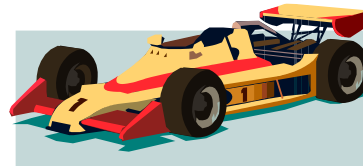

Everyone is welcome to come and cheer on the competitors but only those winners from the district derbies are eligible to compete in the official portion of this event.
