***Subject to State Guidelines for COVID-19***

Who should attend? Scoutmasters, Boy Scout Leaders, and Troop Committee Members

Why attend? This is a fun filled program of hands on skills training in the outdoors. This training is designed to help you master basic camp skills required for Tenderfoot to First Class. Instructors will help you learn how to set up camp, cook, work with wood tools, learn about ropes and knots, first aid, planning campfire programs, map reading, compass skills, hiking and packing techniques, nature identification and Leave No Trace. Each outdoor session will bring to life the pages of the Boy Scout Handbook to help you deliver the promise of Scouting to yourself and the youth you serve. It will increase your comfort level and give you confidence as a trained, skilled leader. The program will give you the opportunity to work with other Scout leaders from your Council, meet new friends, and reinforce skill techniques with fellow unit leaders.

The Plan: Attendance will be limited based on the current state guidelines in response to COVID 19. We will hope to hold all programming outside in order to accommodate the maximum amount of learners. We will do our best to follow all social distancing guidelines and sanitation guidelines as set forth.

As this course offering will be contingent upon state guidelines in effect at the time of the course, we ask that you please register via forms on the [www.wmascouting.org](http://www.wmascouting.org) website. **Please make sure to complete if you have any allergies or limitations that we need to be aware of at the time of registration.**

Payments to be made at the time you arrive at the course in order to prevent from any delay in refunds if we are unable to hold the course due to the pandemic.

Cost: $60 which includes your meals for the weekend

Registration deadline: September 25, 2020
