

Calendar – 2022 – AT Classroom & Virtual Training

All classes take place on third Tuesday of the month, running from 6:00 pm up to 9:00 pm. Each class is set apart by about one to two months this way the AT District can offer training all year without overloading training onto one day where Scouters must pick between classes. Classes will be closed out for signing up three days before the start date to provide time to gather & prepare class materials.
