

Unit Rebate Request Form “All in for Scouting”

We understand that at this critical time, our Scouting Units need all the help they can get to **Restart, Rebuild and Relaunch** their program. Your Council is here to help our Scout units succeed, survive, and thrive as we emerge from this unprecedented worldwide global pandemic.

Rebates will be awarded 30 days after the successful participation of an event. In order to both manage cash flow and be fair to others as many events have limited capacity, WMC must collect funds in advance of events to minimize the amount of free or discounted participants that might drop out of an event and at the same time have prevented someone else from attending by taking up limited spaces.

Unit Type: Pack Troop Crew Ship **Four Digit Unit Number:** _____
